Looking Ahead: Building a Post-Pandemic Plan

The last 14 months have demanded flexibility and resilience from writing center staff and students. How can our writing centers use the challenging lessons we've learned to build a space that better serves all students? Let's get together for informal discussions of how we would like our centers to move forward as we emerge from the restrictions of this past year to more in-person opportunities.

Please consider proposing a 30-minute discussion topic. These will be casual and collaborative conversations, and all attendees will be encouraged to participate.

For questions, suggestions, and proposed discussion topics, contact Mary Middlemas at mmiddlem3@gulfcoast.edu
